- Analytical/performance cookies. They allow us to recognise and count the number of visitors and to see how visitors move around our Website when they are using it. This helps us to improve the way our Website works, for example, by ensuring that users are finding what they are looking for easily.
- Functionality cookies. These are used to recognise you when you return to our Website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).
- Targeting cookies. These cookies record your visit to our Website, the pages you have visited and the links you have followed. We will use this information to make our Website more relevant to your interests. We may also share this information with third parties for this purpose.

Our Website may display video content using Adobe Flash Player.
